Terms of Subscription

TERMS OF SUBSCRIPTION

1. Subscription

- 1.1 The Hire Agreement made between Drover and the Driver is constituted by the front pages (which we refer to as the "Subscription Agreement") and these Terms of Subscription which form part of and are incorporated within the Hire Agreement made between Drover and the Driver. Any capitalised terms that are used but not defined in these Terms shall have the meaning given to them in the Subscription Agreement. Drover reserve the right to make changes to the Terms of Subscription without notice and without incurring any liability to the Driver. In the event material changes are made in line with capitalised terms of the Subscription Agreement, then the Driver shall receive fair notice.
- 1.2 The Driver agrees to hire the Vehicle referred to in the Subscription Agreement for the Subscription Term and any further period as provided for in this Agreement. The Vehicle is provided by Drover at the relevant Subscription Fee stated in the Subscription Agreement. If the Driver does not return the Vehicle to Drover by the Subscription End Date (or such extended date as provided for in this Agreement), the Driver will be in breach of the conditions of this Agreement. For the avoidance of doubt, the Driver will not own the Vehicle.
- 1.3 Drover may substitute the Vehicle for another vehicle (of a similar age, quality and specification) on at least 7 days' notice at any point during this Agreement. Drover may also substitute the Vehicle for another vehicle in the event of a manufacturer's recall, or for other legitimate mechanical, health or safety purposes. The Driver will co-operate with the reasonable requirements of Drover as to substitution of the Vehicle and, following substitution, the new Vehicle will be the "Vehicle" for the purpose of this Agreement.

2. Responsibilities of the Driver

- 2.1 Drover, or a third party on behalf of Drover, will deliver the Vehicle to an address specified by the Driver on the Subscription Start Date and collect it at its end (unless alternative arrangements are agreed by Drover and the Driver in writing). The Driver must inspect the Vehicle before the start of the Subscription Term. The Driver will make Drover aware of any defects in the Vehicle at the time when the Vehicle is delivered. In the absence of the Driver notifying Drover of any issues at the time when the Vehicle is received by the Driver, it shall be deemed that the Driver received the Vehicle in perfect working order (save for any existing damage recorded in the Vehicle Condition Report which the Driver will sign on delivery). The Driver will return the Vehicle to Drover in the same condition in which the Driver received it, save for the normal wear and tear in relation to distance travelled, including (but not limited to) tyres, fittings, documents and complete equipment outfit. The Driver shall return the Vehicle with no less than the amount of fuel that it had on delivery or pay Drover for the cost of the shortfall in fuel as compared to the fuel in the Vehicle upon delivery. The Driver must take care of, and keep secure, the Vehicle and its keys. The Driver must always lock the Vehicle when not using it (and will be charged for the replacement cost of any lost keys). The Driver must make sure that they use the correct fuel. The Driver is also responsible for tyre punctures.
- 2.2 Drover has the right to request and conduct a Vehicle inspection during the Subscription Term, subject to giving the Driver 7 days' prior notice. The Driver shall act in good faith and reasonably comply with such request.
- 2.3 The Driver must not sell, rent or dispose of the Vehicle or any of its parts. The Driver must not give anyone other than Drover any legal rights over the Vehicle.
- 2.4 The Driver must not (and must not let anyone else) modify or work on or attach or affix anything to the Vehicle without Drover's written permission. Any additions, alterations or modified parts fitted without such permission shall become part of the Vehicle and shall belong to Drover, and the Driver shall be responsible for any costs in returning the Vehicle to its pre-modified condition.
- 2.5 The Driver must let Drover know as soon as they become aware of any defect(s) in or damage to the Vehicle at any point if or when the Driver discovers any issues or defects during the Subscription Term.
- 2.6 The Driver shall be liable for damage to, and theft of, the Vehicle from delivery of the Vehicle until Drover has collected the Vehicle from the Driver at the end of the Subscription Term. The Driver must meet with the collection manager at the Subscription End Date or such extended date as provided for in this Agreement (or as otherwise agreed between the Parties in writing and in accordance with this Agreement). Drover, or a third party on behalf of Drover must inspect the Vehicle to check that it is in good condition. Where the Driver has requested a collection of the Vehicle by Drover at a specified location, outside of the hours of 09:00 to 18:00 Monday to Saturday, the Subscription Term (and the Driver's liability for damage, theft and parking violations) shall extend to the earlier of: midday of the first working day following the requested collection time or the time of re-inspection by Drover; or of a third party on behalf of Drover.
- 2.7 The Driver will be liable for repairs (which must be carried out by a repair centre approved by Drover) if the Vehicle needs more than Drover's standard valeting (cleaning), or if the Vehicle has been damaged either inside or outside (whether or not it is the Driver's fault). Any insurance coverage may cover such repairs and charges but in the event it does not, the Driver will be separately charged by Drover for any such repairs and charges.

- 2.8 The Driver must check before they bring back the Vehicle that they have not left any belongings in the Vehicle. Drover is not liable for any personal belongings left in the Vehicle after the Vehicle has been returned.
- 2.9 The Driver will be liable for any Excess Mileage Charge as set out in the Subscription Agreement if the Driver exceeds the Mileage Allowance during the Subscription Term. On any substitution of a Vehicle pursuant to condition 1.3, the Mileage Allowance and any Excess Mileage Charge shall be recalculated by Drover by reference to the distance in mileage travelled by the substitute Vehicle at the date of substitution.
- 2.10 The Driver shall comply with its insurance obligations, as set out in condition 7 below.
- 2.11 If the Driver wishes to alter the collection or drop-off arrangements, they must obtain prior consent from Drover for such alternative arrangements.

3. Responsibilities of Drover

- 3.1 Drover, or a third party on behalf of Drover, will maintain the Vehicle to at least the manufacturer's recommended standard and the Driver must ensure that all servicing and repairs are carried out by a party approved by Drover
- 3.2 Drover confirms that the Vehicle is roadworthy and suitable for driving at the Subscription Start Date. Drover, or a third party on behalf of Drover, will identify any existing damage to the Vehicle on the Vehicle Condition Report which will be signed by the Drover in accordance with condition 2.1 above.

4. Liability

- 4.1 Subject to condition 4.2 below, Drover's maximum aggregate liability to the Driver for any and all claims arising out of or in connection with this Agreement shall in no event exceed £10,000.
- 4.2 Nothing in this Agreement excludes or restricts Drover's liability to the Driver for death or personal injury caused by Drover's negligence, for fraud and fraudulent misrepresentation, or for any other liability that cannot be excluded or limited under applicable law.
- 4.3 Notwithstanding condition 4.1 above, Drover shall not be liable for:
- 4.3.1 indirect losses which happen as a side effect of the main loss or damage and which are not reasonably foreseeable by Drover and the Driver at the time of entering into this Agreement (such as loss of profits, income or loss of opportunity);
 - 4.3.2 losses not caused by Drover's breach; or
 - 4.3.3 failure or delay in performing any or all of its obligations under this Agreement, where such failure is caused, directly or indirectly, by events beyond Drover's reasonable control (including, but not limited to, network failure, fire, flood, earthquake, acts of God, acts of war, terrorism, riots, civil disorders, blockades, insurrections, pandemics, epidemics, any law or action taken by a government or public authority, any labour or trade disputes, strikes, industrial action or lockouts, or non-performance by suppliers or subcontractors).

5. Conditions for using the Vehicle

- 5.1 The Vehicle must only be driven by the Driver (and any Named Drivers in the Subscription Agreement), must be driven in a careful manner at all times and must be driven in compliance with all applicable road traffic laws (and any other laws or regulations applicable to drivers). If Named Drivers are allowed to drive the Vehicle under this Agreement, the Driver must ensure that the Named Drivers comply with all the obligations of the Driver under this Agreement, as if that Named Driver were a Driver. The Driver will remain responsible for the use of the Vehicle by any Named Drivers and any breaches of this Agreement by a Named Driver will be deemed a breach of this Agreement by the Driver.
- 5.2 The Driver and any Named Drivers of the Vehicle must have held a full current UK driving licence for at least one year, be at least 22 years old and have no endorsements or convictions on their driving licence during the Subscription Term which are unacceptable to Drover. Unacceptable endorsements or convictions may include, but are not limited to, any convictions that result in the Driver being disqualified from driving, or any major driving convictions, such as failing to report an accident. If the Driver or a Named Driver receives any endorsements or convictions during the Subscription Term the Driver and/or Named Driver must inform Drover, and Drover may terminate this Subscription Agreement in accordance with condition 11. The Driver must also inform Drover of such endorsements or convictions if the Driver has obtained insurance through Drover, as this may affect the validity of the insurance. If any insurance becomes invalid at any point during the Subscription Term, it is the Driver's responsibility to obtain adequate replacement insurance because such insurance is a legal requirement.

- 5.3 The Driver and any Named Driver(s) must not:
- 5.3.1 use the Vehicle to transport any hazardous, toxic, flammable, corrosive, radioactive, harmful, dangerous or illegal materials;
 - 5.3.2 use the Vehicle for any illegal purpose or any purpose or any manner which would not be covered by the insurance and/or would invalidate the insurance;
 - 5.3.3 use the vehicle for any illegal purpose, or any purpose or any manner that could be deemed harmful to the business or reputation of Drover. This includes the Vehicle or Driver being part of a police investigation. Drover reserve the right to terminate the subscription until the investigation is over, and depending on the verdict, remove the driver from the Drover platform;
 - 5.3.4 use the Vehicle off-road, or for racing, pace making, testing the Vehicle's reliability and speed, or teaching someone to drive;
 - 5.3.5 use the Vehicle under the influence of alcohol or drugs or smoke inside the vehicle. This will result in the Driver's insurance becoming invalid (if the Driver has opted into insurance through Drover);
 - 5.3.6 carry a number of passengers and/or baggage which would cause the Vehicle to be overloaded (and operate the Vehicle otherwise than in accordance with the owner's manual for the Vehicle); or - in the case of a commercial vehicle - carry a carrier payload which exceeds the maximum payload and individual axle plated weights, or for a purpose which requires an operator's licence where the Driver (or Named Driver as applicable) does not have one;
 - 5.3.7 drive the Vehicle outside the United Kingdom unless Drover has given the Driver written permission;
 - 5.3.8 use the Vehicle for hire and reward;

6. Subscription Fees, Fines, Tolls and other charges

- 6.1 The Driver must pay the Initial Payment and the Subscription Fees at the rate and on the dates specified in the Subscription Agreement. The Driver must obtain the prior written consent of Drover to change the Payment Date to a to a day in the month other than the Payment Date specified in the Subscription Agreement. The Driver shall be liable for the following charges and pay them on demand during the Subscription Term:
- 6.1.1 all charges which are payable after the discovery of damage following re-inspection of the Vehicle when returned by the Driver to Drover;
 - 6.1.2 all charges, fines and court costs including congestion charges, parking, traffic, speeding or other offences, and any civil penalty payable relating to the Vehicle ("Fines") and any tolls, fees or charges including toll road fees, and the London Congestion Charge ("Tolls"). The Driver must also pay to the appropriate authority any Fines, Tolls and costs if and when the relevant authority demands this payment, and acknowledges that such obligations may be communicated to the Driver directly, through Drover or the relevant authority;
 - 6.1.3 value added tax and all other taxes and levies on any of the Fines, Tolls and charges, as appropriate including a £20 administration fee for each Fine, Toll or charge that the Driver incurs during the term of their subscription;
 - 6.1.4 any reasonably incurred, foreseeable losses, costs and charges resulting from the breach by the Driver of this Agreement (such losses being foreseeable where they are contemplated by Drover and the Driver at the time this Agreement is entered into);
 - 6.1.5 any other charges arising under this Agreement, including Vehicle delivery and collection fees; and
 - 6.1.6 any charges in relation to the repossession of the Vehicle, including, without limitation, third party agent costs, transportation required for the repossession of the Vehicle, legal proceedings in relation to the repossession of the Vehicle and any other costs, charges and expenses in relation to or in connection with the breach of this Agreement by the Driver.
- 6.2 For the avoidance of doubt, the Driver shall be liable for any Fines, Tolls and other charges, issued by public authorities or private parking companies, incurred during the Subscription Term even if such Fines, Tolls and other charges are not discovered until after the end of the Subscription Term.
- 6.3 It is the responsibility of the Driver to pay the relevant authorities directly for any Fines, Tolls and other charges that the Vehicle or the Driver incurs during the Subscription Term. The Driver must provide a written report of any offences committed by him or her to Drover. In the case of any Fine, the Driver acknowledges and agrees that Drover may pass on the Driver's details to the police or relevant authority, who may then contact the Driver directly. Drover is not liable for any escalation in value of a Fine, Toll or charge as a result of it being delivered to an out-of-date address. It is the Driver's responsibility to inform Drover of any change of address so that Fines may be delivered to them in sufficient time to prevent escalation. In the event that Drover incurs a fine, charge or admin fee levied by a third party as a result of the Driver's incurring of a Fine, charge or admin fee,

Drover retains the right to charge the cost of such a fine, charge or admin fee to the Driver. In the event that the Driver does not pay the Fines, Tolls or other charges, Drover may pay such Fines, Tolls or other charges and then reclaim such Fines, Tolls or other charges from the Driver if it would be in Drover's interests to do so, including, without limitation, where the Vehicle may be at risk and/or there may be other enforcement in relation to unpaid Fines, Tolls or other charges.

- 6.4 The Driver shall keep the Vehicle in good and roadworthy condition (fair wear and tear excepted) throughout the Subscription Term and return the Vehicle in good and roadworthy condition to Drover at the end of the Subscription Term.
- 6.5 If the Driver and/or any Named Driver(s) or any other person smoke inside the Vehicle in contravention of condition 5.3.4 above, the Driver shall be liable to pay Drover a penalty of £150.
- 6.6 Drover credit applied to the Driver's account during their Subscription has no cash redemption value and cannot be exchanged for cash. Applied credit can only be used on a Drover Subscription.

7. Insurance

- 7.1 Drover Limited is an Appointed Representative of Ambant Underwriting Services Limited (for general insurance intermediary business), a company authorised and regulated by the Financial Conduct Authority under firm reference number 597301 to carry on insurance mediation activities. Drover has arranged its motor insurance for consumer vehicles through Churchill Expert which is a trading name of U K Insurance Business Solutions Limited, an insurance intermediary who introduces business customers to NIG policies underwritten by U K Insurance Limited. The policy provides coverage for accidental damage, fire & theft and third-party liability claims. The details of any such insurance shall be included in the Subscription Agreement. The insurance key facts document can be found in the Drivers MyDrover account and Drover website. If insurance is not arranged for the Driver or any Named Drivers through Drover, insurance must be obtained prior to the Driver (and any Named Drivers) using the Vehicle.
- 7.2 If the Driver does not buy comprehensive motor insurance through Drover by selecting the insurance option on the Subscription Agreement, it is the Driver's responsibility to obtain comprehensive motor insurance for themselves and to ensure that any Named Drivers are covered by such motor insurance policy (or are covered by their own motor insurance policy). If the driver chooses to use an alternative comprehensive policy, this must be pre-approved by Drover in writing. Drover will require the Driver to advise the insurers that the Vehicle is on hire and the policy of insurance must name Drover as loss payee in respect of all claims other than third party claims. The Driver irrevocably authorises Drover to negotiate with the insurers to settle any insurance claim and to receive the insurance monies as appropriate. The Driver will accept any reasonable settlement we agree with the insurers.
- 7.3 Notwithstanding the duration of the Driver's Subscription Agreement, the Driver's Policy Assignment (insurance premiums owed by Drover to their insurer and recharged to the Driver for inclusion of the vehicle on Drover's fleet policy) can only be provided for a maximum of 12 months. For Driver's with subscription agreements longer than 12 months, Drover will contact the Driver prior to the termination of the Policy Assignment to advise renewal insurance cover, including any change in premiums.
- 7.4 The Driver is entitled to cancel their Drover comprehensive motor insurance policy within 14 days of commencement of the policy by written notification to Drover at subscriptions@joindrover.com subject to there being no claims on the policy. No penalty or administration fee will be levied and the Driver will be refunded any premium, subject to a pro-rata charge for time on-cover. Following termination, the Driver is responsible for arranging alternative comprehensive motor insurance cover for themselves and any Named Drivers without any lapse in the period or type of cover. Any alternative cover must be pre-approved by Drover in writing. After the 14-day cooling-off period, the Driver will not be entitled to any premium refund. If a claim is made on the policy by either the policyholder or a third party, either during or after the 14-day cooling-off period, the Driver will be liable to pay the entire premium for the period of cover without refund.
- 7.5 Where the Driver has elected to receive their insurance, or any Named Drivers insurance through Drover, Drover reserves the right to amend the Driver's comprehensive motor insurance price in cases where modifications in the Driver's risk profile change give rise to additional costs. In the event of an insurance price change, the Driver will receive fair notice of the changes and new price.

8. Accidents, Damage and Theft

- 8.1 In the event of an accident involving the Vehicle, the Driver or Named Driver must not admit responsibility or attempt to negotiate with third parties. The Driver or Named Driver should note the registration numbers of other vehicles, take photographs and/or video of the scene and vehicles involved and obtain the names and addresses of everyone involved, including witnesses and should also:
 - 8.1.1 make the Vehicle secure;
 - 8.1.2 tell the police without delay if anyone is injured or if the Driver or Named Driver was unable to exchange details with other drivers or property owners;
 - 8.1.3 report the incident to the Vehicle insurer as soon as is practically possible and no later than 24 hours after the incident;

- 8.1.4 note the insurance details of other involved third parties; and
 - 8.1.5 comply with all other applicable road traffic and other laws.
- 8.2 In the event of damage to the vehicle, the Driver must comply with the instructions of Drover (and/or the insurers of the Vehicle). The Driver (and Named Driver(s) if relevant) must provide all reasonable co-operation and assistance to the insurer and Drover as to the conduct of any claim. If the Vehicle is stolen, the Driver must inform the police and Drover as soon as becoming aware of the theft.
- 8.3 If a warning light appears in the Vehicle or the Vehicle develops any fault during the Subscription Term, the Driver must contact Drover as soon as practicable to provide details of the fault.
- 8.4 In the event of any claim under the insurance set out in under condition 7.1, the Driver (and where applicable, Named Drivers) must;
- 8.4.1 comply with the instructions of Drover (and/or insurer) as to the Vehicle, including payment of excess; and
 - 8.4.2 provide all reasonable co-operation and assistance to Drover (and/or insurer) as to the conduct of any claim.
- 8.5 In the event of any accident involving the Driver which is likely to have been wholly or mainly the fault of a party other than the Driver ("Non-Fault Accident"), the Driver (and where applicable any Named Driver); comply with the instructions of Drover (and/or insurer) as to the Vehicle; and
- 8.5.1 is obliged to follow Drover's instructions as to having the Vehicle repaired, either by making it available to Drover at a time of its choosing or by making arrangements at Drover's direction for the Vehicle to be repaired; and
 - 8.5.2 must provide all reasonable co-operation and assistance to Drover as to the conduct of any claim;
 - 8.5.3 must continue to pay the Subscription Fees under this Agreement during the Subscription Term (and for any further period while the Vehicle is in fact under repair and/or otherwise not available for use); and
 - 8.5.4 will have no right under this Agreement to receive a replacement vehicle from Drover while the Vehicle is under repair or otherwise unavailable to the Driver
- 8.6 In the event of a Non-Fault Accident:-
- 8.6.1 will inform the Driver of the names and contact details of one or more vehicle hire providers who might assist (however, Drover will not itself provide a replacement vehicle under this Agreement until the Vehicle has been fully repaired or replaced); and
 - 8.6.2 the Driver has authorised Drover to correspond with the insurer on its behalf and the Driver agrees to comply with condition 8.5 above.
- 8.7 In the event that the accident is not considered by (or its agent) to be the fault of another person who is insured, Drover may in its discretion agree to hire a replacement vehicle to the Driver under a new Subscription Agreement. The Driver must also continue to pay Subscription fees.
- 8.8 If any Vehicle is declared a total loss and Drover does not receive any insurance monies or if the insurance monies received are in any way reduced because of any failure by the Driver to observe the terms and conditions of this Agreement, the Driver shall pay Drover on demand the difference between the insurance monies Drover do receive and the termination payment set out in condition 11.9 calculated at the date of such loss.

9. Servicing, Maintenance and Breakdown Cover

- 9.1 Drover is responsible for the organisation of all routine servicing and maintenance from the Subscription Start Date to the Subscription End Date (which includes tyres, maintenance and arranging MOTs). Drover, or a third party operating on behalf of Drover, will provide fair and reasonable notice of no less than three days to the Driver when arranging servicing or maintenance appointments, advise the Driver of these and coordinate schedules with the Driver. It is the Driver's responsibility to keep these agreed appointments and otherwise bear any rescheduling costs if an appointment is missed.
- 9.2 Breakdown cover provided by the RAC (or such other reputable motor organisation chosen by Drover) is included in the Subscription Fee when the fault is determined mechanical. Where the roadside assistance falls out with what is covered by the cost Drover pay to RAC (or such other reputable motor organisation), the Driver may be liable for the associated costs. It is the Driver's responsibility to keep agreed breakdown callouts and otherwise bear any cancellation costs if a callout missed. Drivers must refer to and follow the breakdown information as part of Drivers subscription confirmation. Breakdown cover information is also made available in the Drivers MyDrover account. Drivers should contact subscriptions@joindrover.com if there are any questions in relation to the breakdown policy.

10. **Telematics**

- 10.1 Drover may, at its sole discretion, install a telematics solution ("Telematics") in the Vehicle at Drover's own cost. Telematics allows Drover to track Vehicles as well as extract mileage, fuel level, acceleration and braking data, as well as remotely lock / unlock or immobilise Vehicles. By using the Vehicle, the Driver consents to the collection of such data.

11. **Cancellation, Default and Termination**

- 11.1 For the avoidance of doubt, this Agreement and the Subscription Term ends only with the Driver's return of the Vehicle to Drover or a third party specified by Drover.

- 11.2 **[APPLICABLE TO ROLLING PERIOD CONTRACTS ONLY:-** Driver may elect to cancel their subscription prior to the Subscription Start Date. How much of a refund a Driver receives when cancelling a subscription depends on how far in advance of the Subscription Start Date the Driver elects to cancel a subscription. If a Driver elects to cancel a subscription. Please note, the following clauses apply to new rolling period contracts only:

11.2.1 more than 72 hours before the Subscription Start Date, the Driver can cancel the subscription without charge. All of the Subscription Fees and Initial Payment (if applicable) paid in advance by the Driver will be refunded (refunds can take up to 10 working days to appear in the Driver's bank account).

11.2.2 if less than 72 hours prior to the Subscription Start Date and the Driver has already paid the Monthly Subscription Fee and Initial Payment in advance, we will partially refund the Fees paid. We shall retain £100 as a cancellation charge to cover the vehicle administration cost.

11.2.3 if the Subscription Start Date has begun and the Driver has accepted the vehicle upon delivery by signing the check-in sheet, and the driver has already paid the Monthly Subscription Fee and Initial Payment in advance. The refund of the Monthly Subscription Fee and Initial Payment will not apply. If the Subscription Start Date has begun and the driver rejects the vehicle by not signing the check-in sheet and does not choose to use the Service, then a refund of the Fees paid will apply. We shall retain £100 as a cancellation charge to cover the vehicle administration cost. For all other rolling period contract bookings, a 7-day notice period shall apply should the Driver elect to cancel or switch the vehicle before the rolling contract renewal date.

[APPLICABLE TO FIXED TERM CONTRACTS ONLY:- If the Driver cancels the Subscription (but only where the Vehicle has been delivered to the Driver) within 14 days of this Agreement being made, a pro-rata fee will be applied at the Daily Subscription Rate for the numbers of days the Vehicle has been on hire. If the Driver cancels the Subscription (whereby no Vehicle has been delivered to the Driver) within 14 days of this Agreement being made, the Subscription Fees and Initial Payment paid in advance by the Driver will be refunded. Please refer to the Additional Information about your Hire Agreement and Your Cancellation Right document received when booking for further details.

- 11.3 The Driver will be able to terminate this Agreement before the Subscription End Date. In order to do so, the Driver must give Drover one month's notice and must pay to Drover an early termination fee. The early termination fee due will be 20% of outstanding Subscription Fees or one month's Subscription Fee - whichever is higher. This early termination fee must be paid before the cancellation can be confirmed and before Drover can arrange collection of the Vehicle.]

- 11.4 Drover may cancel a subscription prior to the Subscription Start Date where reasonably required (for example, if an unforeseen Vehicle fault arises, or if the availability of the Vehicle changes) by notifying the Driver at any point prior to the Driver collecting the Vehicle (or having the Vehicle delivered to Driver, as the parties may agree), and any overpayments in relation to the Subscription Fee, and other amounts paid shall be refunded in full to the Driver.

- 11.5 If Drover attempts to collect the Vehicle from the Driver on the last day of the Subscription Term but is unable to do so due to the Driver's fault, Drover will allow a grace period of one day for the Driver to return the Vehicle. After this one day grace period, the Driver shall be liable to pay the daily rate for any additional time for which the Driver uses the Vehicle. This shall be calculated using the Daily Subscription Rate included in the Subscription Agreement (e.g., if a Driver returns a Vehicle two (2) days late, they will be charged two day's Subscription Fees based on the Daily Subscription Rate).

- 11.6 Subject to any notice required by law, Drover may terminate this Agreement if any of the following occur:

11.6.1 the Driver fails to pay any Subscription Fee, Fine, Toll, charges or any other amount due under this Agreement on the date when it becomes due;

11.6.2 the Driver or Named Driver(s) breach their obligations under this Agreement including, without limitation, conditions 2, 5 or 7 of this Agreement

11.6.3 the Driver is no longer in possession or control of the Vehicle;

11.6.4 the Driver becomes bankrupt or enters into any arrangement or composition with creditors;

11.6.5 the Driver or Named Driver receives endorsements or convictions on their driving licence which are unacceptable to Drover;

- 11.6.6 the Driver's insurance has lapsed or become invalid;
- 11.6.7 Drover's relationship with its vehicle supplier is suspended or terminated, or the Vehicle is unavailable from Drover's vehicle supplier, or the Vehicle is excluded from the Drover website. If terminated for this reason, this Agreement will terminate, the Vehicle must be returned to Drover and the Driver will be refunded in full for any payments made under this Agreement for use of the Vehicle not received; or
- 11.6.8 any information supplied by the Driver to Drover in connection with this Agreement is inaccurate or misleading in any material way.
- 11.7 Upon early termination of this Agreement, the Driver shall immediately be liable for (a) any arrears of Subscription Fees and other amounts due and payable at the time (including for the avoidance of doubt any Fines, Tolls, and other charges) and (b) an early termination fee as calculated under condition 11.3 above and (c) any other amounts which may become due and payable under this Subscription Agreement.
- 11.8 Upon expiry of the Subscription Term or on any early termination of this Subscription Agreement for any reason, the Driver's right to use of the Vehicle will cease and the Vehicle must immediately be returned to Drover or such location as Drover directs. Drover may repossess the Vehicle if the Driver fails to return the Vehicle and the Driver shall indemnify Drover in relation to any loss and damage resulting from the repossession of the Vehicle without prejudice to Drover's other rights and remedies under this Agreement.
- 11.9 If the Driver fails to return the Vehicle to Drover on the last day of the Subscription Term or on any earlier termination as required the Driver shall be liable for an overdue fee for each day that the Vehicle is not returned in accordance with condition 11.8 above (the Delay Period). The Driver may also be liable for additional insurance charges in relation to the Delay Period. The Driver will remain responsible for all the Driver's obligations under this Agreement for the full duration of the Delay Period.
- 11.10 Failure by the Driver to return the Vehicle to Drover promptly in accordance with condition 11.8 may result in Drover reporting the Driver to the relevant authorities. If insurance has been purchased through Drover, Drover may arrange for any insurance on the Vehicle to end (if it has not ended already) and may report that the Vehicle is no longer insured to third parties in its sole discretion.
- 11.11 On return of the Vehicle, the Driver must remove any debris, rubbish and the Driver's personal items from the Vehicle. Drover and/or our Partners will not be liable for loss or damage of belongings left in the vehicle upon collection.
- 11.12 The Driver must then hand the keys to the Vehicle to Drover, or a third party on behalf of Drover, (or returned in a manner otherwise agreed with Drover).
- 11.13 Drover may amend the Subscription End Date to such earlier time as may be reasonably required in connection with its business purposes, provided that the Driver shall be entitled to a pro rata refund of the Subscription Fees (at the daily subscription rate identified in the Subscription Agreement) for the number of days by which the Subscription Term has been shortened.
- 12. Continuous Payment Authority**
- 12.1 The Driver hereby authorises Drover to collect any amounts for which the Driver is liable under this Agreement by charging a credit or debit card, the details of which have been provided to Drover by the Driver. Making regular collections from the Driver's credit or debit card is called a continuous payment authority. The Driver shall only provide Drover with debit or credit card details for an account which belongs to the Driver and from which the Driver is authorised to make payments. The Driver acknowledges and agrees that Drover uses continuous payment authority to collect Subscription Fees on the Payment Dates and all other sums which are due and payable by the Driver under this Agreement including all the charges and fees set out in the Subscription Agreement.
- 12.2 The Driver may amend their continuous payment authority by emailing subscriptions@joindrover.com. Drivers have the ability to change their due date for payment by emailing subscriptions@joindrover.com to discuss first.
- 12.3 In the event a payment fails for a Driver due to insufficient funds being available, Drover will attempt to take the payment again on the following day. If such payment fails, Drover will continue to take payment again on the following day whilst continuing to contact the Driver in order to establish the reason for the failure. If the Driver is having difficulties in making the payment, Drover will then suspend the payment attempts and discuss alternative repayment arrangements with the Driver, in line with applicable affordability checks.
- 12.4 If Drover make reasonable attempts to contact the Driver following the payment failures, but these attempts are still unsuccessful, Drover will retry the payment on the 6th day following the date on which the first payment fails (the Subsequent Payment Attempt). If the Subsequent Payment Attempt fails, Drover will suspend payment attempts again whilst continuing to try and make contact with the Customer to understand their position and the circumstances surrounding the non-payment. If all efforts to contact the Driver fail, or the Driver refuses to engage with Drover, Drover will retry the payment one more time, and then 3 times per week for 3 months.
